

# CT Kids: Surge

## *Adult Participant*

Surge: Mexico is determined to maintain a strict ratio of at least 1 adult to every 3 children. Due to the age of these children, we expect the ratio to be much close to 1 adult to every 2 children. Although some staff and volunteers have already been selected, we expect that several parents will want to accompany their child(ren). Depending on how many plan to participate, we will have adults in leadership positions as well as adults in chaperone positions. We understand that some parents plan to participate simply to share this incredible experience with their child. If you intend to participate in Surge: Mexico, please fill out the information below and indicate your level of involvement. All adult participants are required to fill out a CT Kids volunteer application and complete a background check.
